

3 STEPS TOWARD A WHITER SMILE

1

MOUTHRINSE

Brilliant Smile WHITENING^{evo} mouthrinse dissolves surface stains and makes them easier to brush off. Use twice daily, rinse for 1 minute before brushing your teeth.

2

BOOST TREATMENT

Brilliant Smile WHITENING^{boost} toothpaste is an intensive treatment for quick removal of surface stains. Use twice daily for 2 weeks, then switch to the toothpaste below.

3

TOOTHPASTE

Brilliant Smile WHITENING^{evo} toothpaste contains active ingredients that dissolve surface stains and protect the teeth, without any damaging abrasive effects on the enamel. Use twice daily, brush 2-3 minutes for best possible result.
